

MONROVIA®

Since 1926

# Double Shot® Azaleas

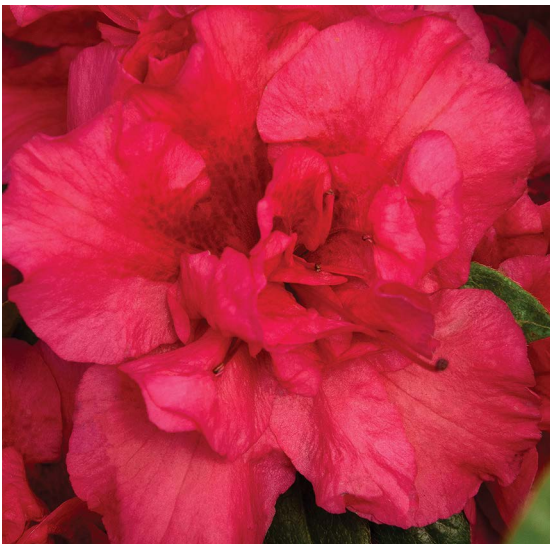

CLASSIC SPRING FAVORITE REBLOOMS WITH A SECOND FLUSH  
OF FALL FLOWERS.

Compact (2-3 feet tall and 3 feet wide)  
and self-cleaning; no pruning or  
deadheading needed.

Heat tolerant and cold hardy, for partial  
sun to full shade in Zones 6-9.

Dense, evergreen foliage makes this an  
excellent foundation shrub or year-round  
focal point.

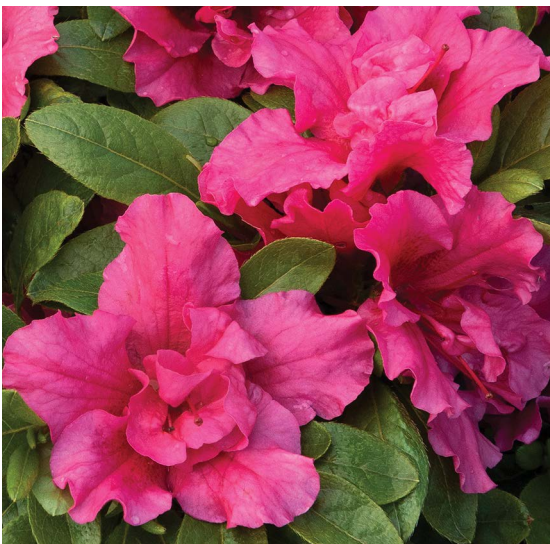

Excellent in containers or in the landscape  
as a showy mass planting.
